WHO ARE WE?

The West Virginia Oil Marketers and Grocers Association (OMEGA WV) represents the petroleum marketers, convenience store owners and grocers throughout the State of West Virginia, as well as the businesses who provide goods and services to this group. Our Association provides many services to these industries, including education and government affairs.

HOW WE SELL OUR SHOW

Our membership will receive several mailings promoting the event. Anyone who has attended or exhibited in our Trade Expo in the past will receive information as well. All petroleum marketers, grocers and convenience store owners throughout the state will receive a mailing two weeks prior to the show with free passes and a listing of exhibitors. We also provide free tickets to all vendors to give to their customers.

BOOTH SPECS

All booths are 10-foot by 8-foot with an 8-foot high draped backdrop and 3-foot high side dividers. Each booth will have an identification sign, a 6-foot long table, which will be draped and skirted, 2 chairs and a wastebasket.

Thirty days in advance of the show, Hollins Exhibits will mail a complete Exhibitor Service Planner containing all the necessary order forms and instructions to aid in your preparation.

WHY EXHIBIT?

The OMEGA WV Trade Expo is designed as a service to both our active members and our exhibitors. Our active members are small businesses for whom our trade show is often their only opportunity to view the latest equipment and services in our industries. Our exhibitors have access to approximately 650 people who either make or influence the purchase of goods and services for these businesses.

WHO ATTENDS?

Those who attend are petroleum marketers, convenience store owners and grocers, as well as their key personnel, who do business throughout the State of West Virginia. Many of these businesses also have operations in the surrounding states of Kentucky, Virginia, Ohio, Pennsylvania and Maryland. There will also be representation from the major oil companies who market in West Virginia.

BOOTH FEES

Booth fees are \$699 for members and \$799 (plus tax) for non-members. We offer a \$100 discount for each additional booth.

A minimum deposit of \$100 per booth must accompany all reservations. The balance is to be paid by May 18, 2009. **No refunds due to cancellations will be made after April 20, 2009. All booths must be paid for in full prior to the Expo.**

WHO EXHIBITS?

Virtually every type of product or service marketed to the petroleum marketing, convenience store and grocery industries will be on display, including: ATM's, car wash equipment and services, automated fueling/POS systems, convenience and grocery store design, consultants and equipment, beverage, food and specialty products; insurance and legal services, signs and canopies, fast food franchising, security systems, underground and aboveground storage equipment, as well as many other new and exciting products available to our industries.
