

Make A Wish

Since 1980, the Make-A-Wish Foundation® has enriched the lives of children with life-threatening medical conditions through its wish-granting work. The Foundation's mission reflects the life-changing impact that a Make-A-Wish® experience has on children, families, referral sources, donors, sponsors and entire communities.

Since its humble beginnings, the organization has blossomed into a worldwide phenomenon, reaching more than 174,000 children around the world.

Although it has become one of the world's most well-known charities, the Make-A-Wish Foundation has maintained the grassroots fulfillment of its mission. A network of nearly 25,000 volunteers enable the Make-A-Wish Foundation to serve children with life-threatening medical conditions. Volunteers serve as wish granters, fundraisers, special events assistants and in numerous other capacities.
